## 7 CFR Ch. X (1-1-07 Edition)

States: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

(b) The Board shall be composed of milk producers appointed by the Secretary either from nominations submitted pursuant to § 1150.133 or in accordance with § 11150.136. A milk producer may be nominated only to represent the region in which such producer's milk is produced.

(c) At least every five years, and not more than every three years, the Board shall review the geographic distribution of milk production volume throughout the United States and, if warranted, shall recommend to the Secretary a reapportionment of regions and/or a modification of the number of members from regions in order to best reflect the geographic distribution of milk production volume in the United States.

(d) The number of members for each region which shall serve on the Board shall be determined by dividing the total pounds of milk produced in the United States for the calendar year previous to the date of review by 36 which provides a factor of pounds of milk per member, and then dividing the total pounds of milk for each region by such factor.

(e) In determining the volume of milk produced in the United States, the Board and the Secretary shall utilize the information received by the Board pursuant to § 1150.171 and data published by the Department.
